4 AUG 1978

MEMORANDUM FOR: Deputy Director for Operations
FROM : John F. Blake
Deputy Director for Administration
SUBJECT: : October Issue of DDA Exchange

John:

1. Work has begun on the October issue of the DDA Exchange. A key item in the plans for this issue is our request for your contribution of the lead article "Comment." The subject, of course, is left to your choice. However, you might give thought to commenting on the role of DDA in supporting and working with the DDO in the future.

2. Should your schedule or other consideration make it impossible for you to contribute to this issue of DDA Exchange, please let us know. Otherwise we will proceed on the assumption that you will "Comment" and that we have your permission to use your portrait with the article. For your information, the DDA/MAS has asked that all manuscripts for the October issue be submitted by 1 September.

STATINTL
